Rebecca:

Yes, clearing up the Loyal Shawnee Tribe and the Shawnee Tribe name was a big help.

We have entered your comments into the docket 070-07004 for USEC. NUREG 1834, Environmental Impact Statement for the Proposed American Centrifuge Plant in Piketon, Ohio, draft report for comment, was issued a few weeks ago and is on our public website at www.nrc.gov. If you would like to see it, you can access the document from our public reading room and do an ADAMS search using "ML0524404330". If you enter that ML number, the report should appear. You can also do a keyword search to find it.

Thanks again for your comments and I enjoyed talking with you.
Ron

Hi Ron,

Was my e-response to you sufficient?

Rebecca

Rebecca:

I'm trying to tie up a loose end. What if any is the relationship between the Shawnee Tribe and the Loyal Shawnee Tribe?

In our initial letter from David Snyder at the Ohio Historical Society, he listed the Loyal Shawnee as one Tribe we should contact. We sent a letter to a Mr. James Squirrel, Loyal Shawnee Tribe, Rt 4 Box 30, Jay, OK 74346. The letter was never returned. I recently did an internet search and the Loyal Shawnee Tribe was listed on a website that listed all Tribes in Oklahoma. The number listed, 918-456-0671 x333, turned out to be the number for the Cherokee Nation. When I called the number, I was transferred to the Cherokee Nation registration desk. I spoke with Lee at the registration desk. He looked up Loyal Shawnee Tribe on his contact list and gave me the number 918-542-7774, but he wasn't sure if it was still a valid number. When I called the number, I reached the office of Mr. Ron Sparkman of the Tax Commission and the Chairman of the Shawnee Tribe. The woman I spoke

with at his office gave me the number 918-542-2441, which I recognized as your number. She also indicated that the Loyal Shawnee Tribe became the Shawnee Tribe a few years ago. Therefore, the Loyal Shawnee Tribe may be an old name that is no longer used.

I thought I would ask you to clarify this for me. Any insights into this quandary?

Thanks for your help.
